Team Nikos Basketball Academy FREQUENTLY ASKED QUESTIONS

We have put together this brief Frequently Asked Questions (“FAQ’s”) to help you in making a decision about Club Basketball.

Being part of a travel team is demanding and time consuming for all parties involved. We stress the importance of family/religion, schoolwork and development of our players throughout our club at all levels.

Q: How long is the Club season?

A: Spring-Summer season is 5 months, and it runs from March through July. Our full club season is 11 months and runs from August through July.

Q: How many days will my son/daughter have practice?

A: Team practices are generally held twice per week on Tuesdays and Thursdays, with Academy training on Monday and Wednesday evenings.

Q: What is Academy?

A: Academy is fundamental skill training focused on improving players’ dribbling, ball handling, shooting and footwork. Academy is separate from the team practice sessions, and we highly encourage all club players to attend regularly.

Q: How many players will be on a team?

A: There will be 7-9 players on each team at all grade levels. In some cases we have enough skilled players in a grade level to form multiple teams. For these grades, players will be placed on teams at the coaches’ discretion.

Q: How many coaches are involved with each team?

A: Each team will have a Head Coach and an Assistant Coach.

Q: Will my son/daughter have guaranteed playing time?

A: Club basketball is different from NJB basketball in that there is no guaranteed playing time for any player. Coaches will do their best to get every player in the game, but some players will play more than others.

Q: How many tournaments do you play in and how often?

A: We play in two tournaments on average per month. Most tournaments will have games on both Saturday and Sunday. Some tournaments will be on holiday weekends with games taking place over three days. Our full tournament schedule for the upcoming season can be found in the Welcome Packet.

FAQ's (continued)

Q: How soon in advance will we know the game times for a tournament?

A: We realize that every family has schedules outside of basketball and likes to plan their weekends in advance. With many club basketball tournament organizers, schedules are not set until typically the Thursday night before the tournament begins. In other words, the schedules are not set by us, but by those putting on the tournament. We send out schedules as soon as we receive them, in order to give our families as much notice as possible. Please know that scheduled tournament dates are always subject to change at the tournament hosts' discretion, and is outside of our control.

Q: Do you play in out of town tournaments that require hotel stay?

A: The large majority of our tournaments will be local (most will be in Ladera Ranch, Garden Grove and Anaheim). However, we will play in 1 to 3 out-of-town tournaments each season. In previous seasons we have traveled to locations such as Santa Barbara, San Diego, Phoenix, Arizona and Las Vegas, Nevada. Hotel stay is recommended for out-of-town tournaments, and we typically contract with a local property for a group rate.

Q: Do tournaments cost extra?

A: The cost for a team to play in a tournament is covered in your club dues. However, every tournament charges an entry fee for spectators. It is the nature of the sport. Parents, grandparents, siblings, etc. will pay a daily admission fee and most often a parking fee. These fees are determined by the tournament host(s) and/or facility, and are not controlled by TNBA. OWT's (Off-Weekend Tournaments do cost extra – see page 9 in our Welcome Packet for more information.)

Q: What is AAU Basketball?

A: Team Nikos is officially sanctioned by AAU (Amateur Athletic Union) which allows us to be nationally ranked and play in high quality AAU tournaments. Each club player must become a member of AAU. Membership is \$16 for one year.

Q: What is SAC?

A: "SAC" stands for "Strength and Conditioning" and is a program for our players that is basketball-specific to help increase speed, agility, footwork and coordination. It is not designed to bulk up young children.

Q: What does Team Nikos Club Basketball cost?

A: Team Nikos Club Basketball has a fee structure for a full 11-month season and a shorter 5-month season (Spring-Summer). We also offer discounts based on your payment method. Please see the Payment Schedule in the Welcome Packet for complete details for the upcoming season.
